

HOLBROOK

Neighbourhood Plan

2020 - 2050

A plan for the future

This is an opportunity for all to say how the Parish of Holbrook will change over the next few decades.

We have started the process to produce a Neighbourhood Plan which will give local people a chance to say what we have and what we need in the future.

HOLBROOK

Neighbourhood Plan

2020 - 2050 A plan for the future

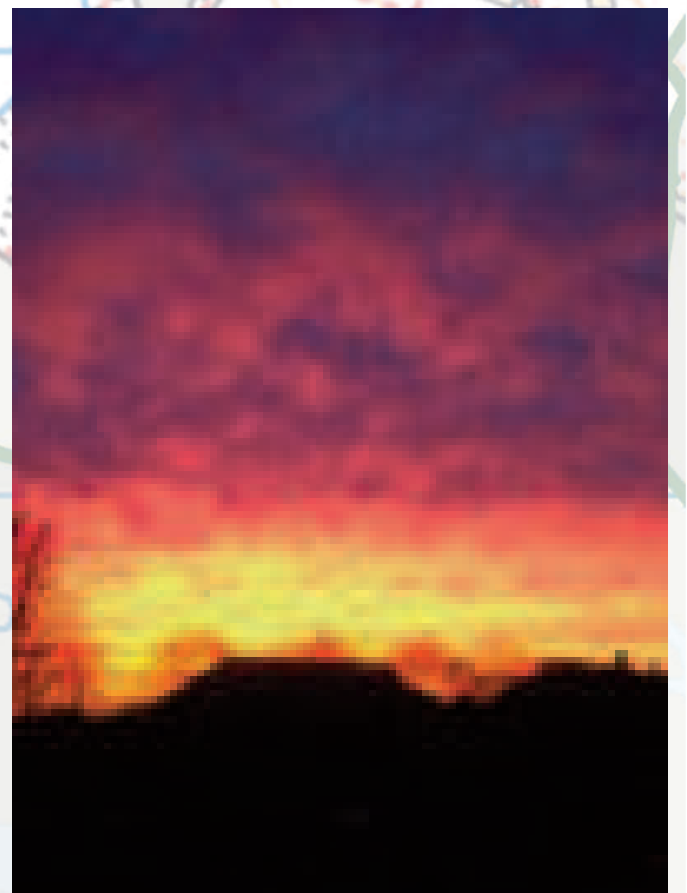

Get Involved!

A group has been formed to work on the process but more are welcome!

Issues need to be agreed.

For each part of the parish there has to be an understanding of what is needed in terms of new homes and new facilities, and what areas should be preserved.

We need a positive plan to build on what we already have in the area.

HOLBROOK

Neighbourhood Plan

2020 - 2050 **A plan for the future**

Apart from housing, issues such as schools, shops, pubs, community buildings, sports facilities, employment opportunities, safe play areas, footpaths, cycle paths, woodlands, roads and public transport must be considered.

We need to understand how to preserve and enhance the good parts of the parish and influence growth in the future.

Without a Neighbourhood Plan, planning decisions will be made by Babergh/MidSuffolk District Council with the Parish Council as consultees. In simple terms we will have less influence on planning decisions in this area.

We need a Neighbourhood Plan.
