# HOLBROOK NEIGHBOURHOOD PLAN CONSULTATION QUESTIONNAIRE

## HAVE YOUR SAY

**Welcome to the Holbrook Neighbourhood Plan consultation questionnaire. We value your opinion. The answers you provide will shape your community and the future of Holbrook.**

Holbrook, like all other villages in Suffolk faces residential growth over the next twenty years. A working group of the Parish Council in Holbrook is writing a Neighbourhood Plan. With your input this plan will identify where new homes could be built. It will also identify any matters that would be the subject of a planning application. These could include, for example, design standards, community facilities, transport, infrastructure, and the protection of important historic buildings and green spaces (Areas of Outstanding Natural Beauty).

This consultation is about identifying what issues are important to you. Once the plan has been drafted you will be asked about its specific proposals. The final plan will have to pass a referendum. This process is likely to take a year or more.

Questions 1 to 4 (Demographic Information) are included to ensure that we have collected data from a representative cross-section of the community. This information will be separated from the main body of the questionnaire in order to ensure your anonymity.

Thank you for answering these questions.
