

HOLBROOK NEIGHBOURHOOD PLAN

CALL FOR SITES

IDENTIFYING SITES SUITABLE FOR HOUSING DEVELOPMENT

An important part of the Neighbourhood Plan is to identify sites in the **Parish of Holbrook** that may be suitable for housing development, over the **lifetime of the plan** (up to **2036**).

Although we appreciate that not everyone in the Parish has land to offer for development, it is necessary to contact everyone to ensure fairness and transparency. Therefore, if you are a landowner — however large or small — and wish to put an area of land forward for future consideration, then please register your interest by contacting the **Holbrook Parish Council Clerk** by e-mail on **HolbrookParishClerk@outlook.com** or by post to:

Holbrook Parish Council Clerk
12 Roundwood Road
Ipswich, Suffolk
IP4 4LX

Please pass this leaflet on to anyone you are aware of who may own land in the Parish, or provide their contact details to the Holbrook Parish Council Clerk.

It is important to note that the list of sites will help inform future planning and the policies within the Neighbourhood Plan; it does not determine whether a site should be allocated but will help with gathering information on site availability.

Site information submitted to the Parish Council will be treated as confidential.

Closing date for submissions: 31st May 2019

Thank you for your time, Holbrook Neighbourhood Plan Working Group
