

Update to Holbrook Annual Parish Meeting, 25 April 2023

Holbrook Helpers continues to be the Good Neighbour Scheme for the villages of Holbrook, Lower Holbrook, and Harkstead.

Those who need assistance call the dedicated HH line which connects the caller to one of our 5 coordinators. The coordinator takes details of the help requested, then finds a volunteer from our list who is able to assist.

In 2022, HH volunteers gave their services on 734 occasions. This demonstrates that HH is an organisation people can call on for help.

HH also monitors and restocks two little free pantries in the village. We hope these are useful to people.

In September 2022, Joanna Parker stepped down as treasurer after more than 2 years on the HH committee. We are pleased to have welcomed 3 new committee members. Dean and Lynn Swift have taken on the role of treasurer between them, and Christine Ambrose has also joined the committee.
