

Holbrook Parish Council

To whom it may concern,

I have noticed that down at holbrook creek which is supposed to be a safe and enjoyable place for all ages there is smashed glass bottles, plastic bottles and even reusable drinking bottles washed up or throw away by the public. For to long little or nothing has been done. It is dangerous for humans and possibly deadly for animal. To provide a safe and healthy environment for all I prepose that weekly or monthly litter picks be arranged around the village and down at the creek.

P.T.O →

It is sad that I had to
write this letter because my
personal opinion is that all members
of the public should be respectful.
Please do not just put a sign
because this ruins the natural
views.

Your Sincerely

(Aged 10)
