Technical information about this website's accessibility:

Holbrook Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No.2) Accessibility Regulations 2018.

Compliance status

This website is partially compliant with the Web Content Accessibility Guidelines version 2.1 (<https://www.w3.org/TR/WCAG21/>) AA standard, due to some of the older PDFs not meeting the accessibility standards. For example, they may not be

structured so that they are accessible to a screen reader. This does not meet WCAG 2.1 success criterion 4.1.2.

Any new documents (PDFs or Word documents) loaded onto the website will include the following:

- Meaningful hyperlink text added
- Colour not used to convey information
- Sufficient contrast used for text and background colours
- Built in headings and styles used
- Table structures to be used with column header information

What are we doing to improve accessibility:

- We are constantly looking at our website accessibility alongside our website providers and where we can improve on it, we will.
- We follow a specific set of guidelines to ensure all our contents meets the WCAG2.1 Standard.[ps://www.gov.uk](https://www.gov.uk)
- We are making our PDF documents as accessible as possible
- If possible, we will create HTML pages rather than PDF documents
- We will continue to work to resolve all identified accessibility issues which are within our control
