## ADDITIONAL COMMENTARY

The summary and reconciliation include all receipts and payments up to and including 30<sup>th</sup> September 2024 – 6/12<sup>th</sup> of the financial year. For regular payments, such as salaries, this should be approximately 50% of annual expenditure

## **EXPENDITURE**

Subscriptions: All paid

**Grants**: no request has been received as yet from Holbrook Academy – the budget is towards an award sponsored by Holbrook Parish Council

**Salary Costs:** a 5% contingency has been included in clerk's salary which will be dependent upon the national pay agreement for 1 April 2024-31<sup>st</sup> March 2025. These agreements have not been reached until 9 months into the year in previous years and it looks as though it will follow a similar pattern this year as 2 of the 3 unions have rejected the pay offer. The latest news is that two of the unions will go to ballot later this month.

**Payroll costs:** The invoice for the second half of 23-24 was not received until this financial year. If both invoices for this year are submitted in time, this will be overspent, but is included in the reserves from last year's budget.

**Street Lighting:** There was no available information re costs at the time of budgeting. A prudent approach was adopted and has resulted in an underspend.

**Dog & Waste Bin emptying:** fortunately we had advanced warning of the massive incease in the cost of emptying bins and this was reflected in the agreed budget.

**Parish Papers:** the parish papers continue to expand and the June/July version was particularly large. The printers have changed ownership: the October/November edition has received very positive responses from residents, but the costs have almost doubled from the original budget.

**Grass Cutting:** Invoices have now been received for additional grass cutting of the Reade Field and Church Green and these are included in the September payments. A final cut for Alton Green has been requested.

Playground Renewals and Maintenance: the full cost of the new play equipment has been met.

**General Maintenance:** a replacement industrial strimmer has been bought for the P3 group – this was agreed at the July meeting and the purchase made following that meeting.

## **INCOME**

**Precept:** the full precept has now been received.

**Cleansing Grant**: a payment has been received for the final quarter of 23/24. The whole of the grant for 24/25 has also been received, which will result in an increase in the budget, due to the late payment of quarter 4 for 23/24.

**VAT:** a Vat claim has been received in full

**Reade Field Account:** Lottery income is being paid into this account directly. An adjustment will be made at the end of the financial year to reimburse the main account with the amount spent on prize money and the licence. The Reade Field Bank Statement was unusually up until and including 1<sup>st</sup> October. Lottery funds received so far total £808.00

**Other Grants:** £10,000 has been received from Babergh towards the cost of the new play equipment and £250 has been received towards the new strimmer from the County Councillor's locality budget.

**Other:** Chelmondiston Council have contributed £50 towards water testing.

**NS&I Account:** we only receive one statement a year – usually in January or February.
