Hello,

Its that time of year yet again where I need your input as to how you wish your street lights to work over the Christmas period.

The options are,

1 Do nothing and allow the lights to turn off part of the night as normal.
2 Copy SCC and leave the lights on Christmas eve into Christmas day and New year’s eve into New year's day.
3 Do something different. Please confirm what you would like your lights to do please?

Please could you respond with your requirements by Friday 11th December at the very latest to ensure changes can be made. Would you please ensure you note your Parish/Town Council name in the response.

Many thanks,

Andy
