

HOLBROOK PARISH COUNCIL

READE FIELD IMPROVEMENT PROJECT – WE NEED YOUR IDEAS AND OPINIONS!

Holbrook Parish Council is considering what improvements could be made to the Reade Field and the play equipment. There may be lottery funding available but before submitting an application we need your views and we hope you will take the time to complete this short survey.

Several ideas are being considered, these include re-instating the fence around the play equipment to keep dogs off the area and replacing the safety surface, the provision of more seating around the field, repairs to the basketball area, an all weather table tennis table, the installation of new gates that are wheelchair/buggy friendly and finally improvements to the pavilion to allow greater use for village groups. There may also be something else you think we should consider so please let us know!

Lottery funding will help with the initial project but ongoing funding is being considered for maintenance and future improvements, one suggestion being considered is to run a monthly draw with cash prizes if there is sufficient interest. It is proposed that shares will be £12 per year and you will be able to have more than one share. Monthly draws will take place with 3 cash prizes, the amounts will depend on the number of shares sold. For example if 250 shares are sold, the monthly prizes will be £50, £30 and £20.

Please take a few minutes to complete the survey, your opinions are very important to us. Thank you.
