

Suffolk's Warm Homes Healthy People project helps vulnerable people and families make their homes warmer and cheaper to heat, improving health and wellbeing

Available Assistance:

- **FREE** home surveys for homeowners and those privately renting. A trained energy surveyor will visit your home to identify ways we can make your home more efficient and maximise your home income.
- **FREE*** Loft, cavity wall, external wall, and internal wall insulation.
- **Grants*** for the servicing of gas appliances.
- **FREE*** new or replacement heating/energy systems including those utilising renewable energy such as solar photovoltaics and heat pumps.

****Subject to continued funding and conditions of individual schemes. More information on request.***

For further information on Warm Home Suffolk, please go to:

www.warmhomessuffolk.org
